WORKPLACE GIVING

WHY GIVE?
Simple. Your gift makes your community and your world a better place. Your gift is needed now more than ever. Thank you for participating and thank you for your generous gift.

WHY GIVE THROUGH YOUR WORKPLACE CAMPAIGN?
Workplace campaigns are a very efficient form of non-profit fundraising. They are a proven cost-effective alternative to direct mail, telemarketing, annual fundraising drives and special event marketing.

WHY GIVE THROUGH PAYROLL DEDUCTION?
This is the most efficient way to give. All donations are centrally processed and distributed directly to your charity of choice. It's easy for the donor and easy for the charity. Donors can give more because the donation is spread over the year. Charities benefit because payroll deduction ensures a consistent and reliable stream of income to the charities throughout the year.

WHY DONATE THROUGH A FEDERATION?
Federations provide an important service to non-profit organizations. They screen charities for the highest public accountability and standards. By combining services under a federation umbrella, charities consolidate their marketing, fundraising and processing expenses, and reduce their costs.

WHY ARE THERE ADMINISTRATIVE FEES?
All charities listing with a federation are in agreement with these fees because they are represented in your workplace campaign. Your campaign effectively allows federations to garner donations charities would not be able to receive otherwise. Federations are non-profit organizations as well and rely on these fees to continue providing workplace giving donation opportunities to charities.

UNITED WAY OF THE BAY AREA
(415) 808-4300

Real People. Real Results.
In the Bay Area, we aren't willing to sit on the sidelines and watch our community struggle. That's why United Way is not only creating change through our five core programs, we're harnessing the power of nonprofits, government, corporations, and thousands of individuals like you. Our movement to cut Bay Area poverty in half by 2020 is delivering real results and transforming lives. We're on the front lines, our five core programs deliver real results:

SparkPoint Centers provide one-stop community access to a full range of services. One-on-one financial coaching helps people secure good jobs, get out of debt, and achieve financial stability. We’ve helped 2,796 people move towards financial stability in the last year.

Community Schools transforms public schools into community “hubs,” providing families with services such as food pantries, health care, and after-school programs. This allows children to focus on school instead of basic needs, leading to higher academic achievement. We plan to expand our sites from 48 to 200 by 2020.

The 211 helpline received 192,849 calls and connected Bay Area residents to food, shelter, health care, and other vital services last year. Instead of multiple calls leading to dead ends, 211 callers reach a trained specialist who assesses their full scope of needs and matches them to the right services.

Earn It! Keep It! Save It! (EKS) provided free tax preparation to 71,382 low-income households this year, bringing $78 million in refunds back into our local economy. We ensure low-wage workers get the tax credits they are entitled to which can amount to more than $5,000 — a significant boost to a struggling family.

MatchBridge prepares urban youth for the workplace and places them in jobs and internships. MatchBridge members receive professional development, career counseling, and access to job opportunities. Last year we placed 6,817 youths in jobs and internships. Working increases their ability to be financially secure as adults.
